Business Reference Letter

To Whom it May Concern,

Brookfield acquired the Potsdamer Platz Quarter in Berlin in December 2015. IconTrust has been our office leasing broker and its committed leasing team has helped us to significantly increase the office occupancy at Potsdamer Platz. IconTrust has a good understanding of the economic and legal aspects of the Berlin real estate market and its close personal connections to its key players have helped us to further our business in Germany. I am happy to recommend the services of IconTrust.

With best regards
